This years raffle car is a 2004 Saab 9-3 Aero Convertible

April 25, 2026 Tulip Rallye

Day of show registration will be available at the Rallye. We are back for the 43rd running of the MG Car Club's Tulip Rallye.

If you have never been to the Tulip Rallye, this event is a gimmick rallye where questions take the place of time/distance checkpoints so anyone should be able to compete successfully. All you need is a sharp eye and a sense of humor. Please note – speed is not recommended! Each car club, (5 car minimum), will have a First Place finisher award. Non-club entrants can win in the 'open' class.

Not sure what car to drive? Both classic cars and modern daily drivers are all welcome to participate in this fun event while traveling over new routes.

The starting point for the Tulip Rallye is Mt. Vernon's WalMart SuperCenter on the South side of the river (exit 227). **(Pre-registration is \$25 for the event and \$35 for day of the show.**

In late February, the online registration will open. [CLICK FOR DIRECTIONS](#) At that time you can click on the poster artwork link to go to the registration page or select Tulip Rallye Registration from the menu panel.

Pre-registration closes on April 19.

For those who failed to complete the online registration on time, don't worry! Day of show registration will be available at the Rallye starting point. Please note that day of show registrations will not count towards club first place trophy counts.

Event check-in begins at 8:00 am. The drivers meeting begins at 9:30 and the first cars will be sent out shortly thereafter.

If you are staying overnight there are many hotels in the Mt. Vernon and Burlington area to choose from.

If you have any questions regarding the rallye, email tuliprallyemaster@mgccnwc.com

Barlow Boys Run 2025

Here are some pictures from the 2025
Barlow Boys Run

Some beautiful Triumphs catching some shade.

All British Field Meet

**Just a reminder after the
ABFM event Roger
Levens will be hosting a
BBQ at his house. Time
to be announce in a
future email.**

This was taken in Quilchena near Kamloops

Classic Car Check List

Get your classic car ready for spring and summer driving. After sitting all winter here is a quick check list of things to check.

Fluids & Engine

Check oil and change filter if the car has been sitting for months,

Flush and replace coolant annually to prevent overheating. Check for leaks, run and check temperature.

Check master brake and clutch reservoirs to make sure fluids are clean.

Check fluids levels in transmission, overdrive and differential.

Check tires for wear and inflation pressure.

Clean Battery Terminals and check for a full charge

Check fuel filter and add stabilizer if the gas is old.

Take some short drives and check for unusual performance or sounds

Reminder to Club Members

Please note that our regular Club meetings are held on the 2nd Wednesday of each month. Personal attendance is welcome. The meetings are also available on Zoom.

Meetings January thru May and September thru to December are held at the Clayton Community Centre in Surrey. June through August same time but we will do a short drive. Hopefully in sunshine,

Time: 7:30 PM

Address: 7155 187A Street, Surrey, BC, V4N 6L9

Upcoming Couples Run

There will be an upcoming Couples Run. It will be over 3 days (2 nights) in early July. Run details and times will be sent out soon.

Camshaft & Head Gasket Replacement Workshop

Roger Levens will be doing a workshop in late April on Camshaft and Head Gasket replacement. Date, Time and venue to be announced shortly.
